“ My thoughts, prayers and condolences to Preston, Stacie's beautiful Children, the Ashbys and entire family. I didn't know Stacie very well, as I was older than her, but have very fond memories of the family as a whole. Ive always remembered Stacie for one of the most beautiful smiles I've ever seen and her obviously bubbly personality. I will continue to do so. I wish you all healing and peace of mind. Rest easy sweet girl.

“ Stacie was a very special girl and I loved every minute of having her in my 3rd grade class. She was caring, kind and funny. Stacie always had a contagious smile on her sweet face that would light up a room. In the past few days I have heard so many stories from people that she went to school with. They have all told how supportive, helpful & the difference Stacie made. Stacie was a very special student of mine that I have always kept in my heart. All of you will continue to be in my thoughts and prayers.

“ I remember first meeting Stacie... she was such a light and made me feel so welcome. We sat outside by the fire for hours. She continued to be a bright light every single time we hung out. When no one would dance with me, she would. Heaven has definitely gained a wonderful being. I'm sure Preston was there waiting to give her a huge hug! Sending you all so much love and support.
