“ Stacy has a beautiful red headed granddaughter named Shelby. Shelby fell in love with her when they met . She made Shelby feel special. She always remembered her birthday. She supported her in her girl scouts. She would order cookies and then tell Shelby to keep them. Stacy was a sweet and loving friend. She will be missed. Until we meet again 🍷 🍷

“ I have only really gotten to know Stacy in the last couple of years. But she became a very good friend of mine. I loved her dearly. She would always make the best out of a bad situation. Would make my day happier after I talk to her. I will love and miss you Stacy. And you are finally at peace.
