“ Ruby, Angie, Debbie, Tammy, and Wesley, we couldn't have hand picked better neighbors than the ones God placed in our lives at the end of the road when we moved into your neighborhood some 36 years ago. We've watched together as our children played and then become adults with children of their own. We've shared a lot of history, and you'll never know how much sharing a kind word or a slice of something freshly baked or an invitations to join you for a meal brightened up our lives. I can't tell you how many times over the years, Stanley stopped by just to say hello or in recent years to check on us to make certain that all was well. If Stanley saw something that needed attention, he didn't ask if he could help, he just showed up with whatever piece of equipment was necessary and took care of it. It's a blessing to have neighbors like you. We will miss Stanley and are saddened by his passing, but we are grateful for the memories he left with us. Don & Linda Landen
