“ I'm sorry I didn't make it to tell him how much I loved and missed him. But so glad that I was able to talk to him on the phone! No matter our past he was and always will be a father to me! I loved him so very much and I'm hurting not being there. I know he is in a better place and No longer suffering. I'll see him again one day but I know he already knows my heart. My heart is with the rest of the family. I love you all.
