“ *I loved having you to share our troubles, memories, our laughter, we were there for each other when we needed to be. Even if was just to talk. Or just to say we loved each other. You are My Sister and My friend. Right now I don't know what to do with myself. Just know I will also be here for Donnie, Aaron,Debbie and those precious grandbabies. I'll do my best to love and care for them and help them through this one way or another. Same for our siblings Larry Ray, Houston and Deanna.. And our extended families. You are missed terribly but NEVER Forgotten!!!*
