“ Words can not express my shock and sadness to hear about your mother, Stella. She was a special neighbor. She will be greatly missed, but not forgotten. And though she is gone her love for her girls remains and always will. Your mom lives on within your heart-her spirit guides you still. My thoughts and prayers are with you and your families. May memories of good times comfort you at this time.

*When a face that was dear is no longer here  
And a voice that was loved is hushed,  
It seems as if time went too quickly;  
It seems as if things were too rushed.  
But then one by one we remember  
And one by one closely recall  
Many quiet and wonderful hours  
And the joys that were shared in then all.  
There is a great feeling of comfort  
When a heart that is grieving and sad  
Can remember again and be thankful  
For all the sweet hours it had.*

*Take care, and may God Bless*
