“ *I want to add my condolence to the many received. It is especially sad when one so young is taken by our enemy, death. How we long for the time promised by our Heavenly Father in Rev.21:4 " and God will wipe out every tear from their eyes and death will be no more neither will mourning nor outcry nor pain be anymore. The former things have passed away. ". Rely on our true source of comfort. (2Cor.1:3,4 " the Father of tender mercies and the God of all comfort who comforts us in all our trials "). Sympathy to all.*

“ I want to send all of my love to the family and tell you how sorry I am that you guys have lost our Stephanie. She always had a smile even if she wasn't smiling inside. She was such a special person to everyone. I have not met anyone that has anything bad to say about her. Always a ray of sunshine. I know she is really smiling now being with Tim the love of her life and the father of her children. If you guys need anything even if you need to talk during the night , I am here , my phone is right beside me day or night. May GOD be with you and comfort you! I love you guys!
