“ To All, For me words are very hard to say. Stephanie always had a kind word or a caring smile. As we get older we tend to let immaterial things fill our lives. We have kids, careers, and hobbies. We forget to keep making memories with the ones that have been there all of our lives. Remember this, because all of our days are numbered. I loved my sister and I will always know she will be with us. Her loss has been hard on us all so please remember our family and keep us in your prayers.

Sister, I will always love you.

“ Stephanie will be missed by so many people whose hearts she touched. She was an inspiration to me of kindness and sympathy when I lost a loved one, always said hello with a smile. I looked forward to seeing her at work, knowing she always had a kind word. I am saddened by her passing, but find solace knowing Stephanie is resting in the arms of the angels, in perpetual peace .

“ Stephanie I will miss your beautiful smile and laugh. I will miss you at Wal-Mart. I remember how much fun we had at Lafayette High together. My children Lane and MaKayla were so upset when they heard the news. They always loved you playing and hugging them. You are a beautiful angel now. Free from the suffering of this life. I was truly blessed to have you as a friend. I know one day I will see you in heaven with your beautiful smile. I will miss you always. I love you! Love in Christ to all the family and you all are in my thoughts and prayers.
