“ Keith it has been two years since you left us but it seems to be like yesterday. It is really hard to stay strong and sometimes I don't. Son if you only knew how much I miss and love you and need you. When you left my world changed and it has no longer been the same. They are so many times I want to pick up the phone and call you or come and see you because I have so much I want to tell you. You are and was the light of my world. I was so close to you could set down and tell you anything. I'am lost with out you. I think of you all the time and thank you son for being so good to me. I could of not ask for a better son then you. Love Mom.

“ Keith I miss you so much. I want you to know God could not give me a better son than you, you were always a kind person and willing to help anyone I really don't know what went wrong only the lord knows that. I look around and I see that sweet smile you would give me and the hug you would give me. I miss talking with you and talking with you on the phone. I remember the last phone call you told me Mom everything is o.k. now and I Love You how would I know that would be the last time I would hear your voice. There are so many things I would love to say to you but most of all I want you to know that I do love you with all my heart and you took my heart with you. I can't realize how I'm going to go on without seeing you here I'm always looking for you. I don't know what the days hold for me without you because you were my sweetheart my boy. Keith it doesn't even seem real and it is so hard to face each day without you but I got 37 years with you but that still wasn't long enough. If there anyway you can let me know you are still around me please do. I Thank You for letting me be your mom for the time we had you. I Love You. MOM

“ My Dear Son.

I Miss you so much. I hurt so much deep inside. I can't stop crying, you're so in bedded in the thoughts of my life. I loved, and, raised you from a infant to a man. And you were my Son for thirty-seven years.

How do I grow old without you. You were such a good man, with a great big heart. I only have my memories of you now, to remind me of how it was, when you were here.

I have a song that plays in my mind its (only time) between me and you Son. I'll do my best here on earth, to walk that straight, and, narrow road. To meet you there my Son. at Heavens Gates. May the Good-Shepherd keep us all.

a Father to his Son.

“ Keith was one of my all time favorite middle school students. He always had a smile on his face, and a joke up his sleeve. Everybody absolutely loved him. He could charm his way out of anything. Keith's best attribute, besides that winning grin and lovable personality, was his huge heart. He was one of the sweetest and most sensitive kids I had ever met. He didn't want everybody to know that, but he was so sweet. I remembered there was this girl in our class, that really liked him, and she had a lot of problems, but Keith was always sweet to her and let her down easy. He was an amazing guy, and I know he will be missed by his family and friends. I know I will miss him greatly.

“ I was Keith's Brother-in-Law for 7 years and can't remember any bad memories involving him. He was an astounding person to be around anytime. I loved him like a real brother. I really miss the fishing we used to do together. I hope he knew that I forgave him for the one he let get away! You will truly be missed Brother!
