“ Unable to speak for himself because of health issues, Tommy would say Steve was a good and close friend for many years. He was always there offering love and help if needed. We will miss him so much.

“ Steven was a close friend at RHS Class of 69. I really enjoyed skipping class and going over to Lake Winnie. Steven's great sense humor and his more tempered serious side, made Steven a great friend. We has recently connected on Facebook an via email especially for the family and children and grandchildren.

I wanted to see Steve one year at the reunion,, but I guess this wasn't to be the year.

I will miss Steven and i will be praying for hit family

God Bless you all!

Steve was a great friend and neighbor for years. He would do anything for anyone day or night if he could help, down to giving them the last bite of food available to him if needed.

“ Steve was a dear friend throughout high school. We had reconnected on Facebook a few years ago. He messaged me on Thursday before his surgery asking for prayer. He will be greatly missed but I know he is in Heaven. His pain is gone. Prayers for his family. God Bless You all.
