“ Steve was a walking knowledge bank of information. You could always depend on him to have an answer and if he didn't know when asked, he would always find out for you. He will truly be missed.

“ Steve and I go way back to his high school days. He and his mother lived next door to me on the mountain Hwy 136. He was my friend. We never lost touch, when my husband passed away 6 years ago he reached out to me, then we lost touch. I know he loved his family very much and my heart goes out to them. RIP old friend
