“ Stevie knew me since I was born him and His wonderful sister Debbie Brogdon were great friends with my Mother and Father. Stevie was always one of the most nicest and respectful people I have ever had the privilege of knowing. I remember he would come over to our home to visit and he always had the biggest smile on his face and always greeted everyone there. Stevie had a wonderful family that we were also great friends with my whole life growing up we all lived one the same circle always had fun. Stevie and his Sister , Brother , Mom , Step Mom , and Daddy were all like family to me and my family. Stevie will be missed so much but I'm jealous he is getting to talk to Jesus Christ and God and touch them wow how amazing that's gonna be. I pray for Stevie's Wife and Children that were left here I pray Christ brings great comfort to his family and helps them get through him being gone he loved his family so fearless only wanted them to be happy. I miss Stevie and I feel very blessed to have had the pleasure of knowing him and being a great friend. He will definitely be missed but we all will reunite again . I'm sending my love to all Stevie's family and sending love up to heaven. See you again soon one day Stevie Gibson. We love you so very much.
