“ Oh, my dear friend, so many memories I have of us doing things. You were blessed with a wonderful family. I was going thru my camera just the other day and there you were at a shower for Hannah. Memories are something that death cannot take away. You are now in the arms of Jesus and living a full life and are fully healed. I will miss you but I will see you again. Hugs and prayers to the family. May God give you the peace and comfort that you need at this time. Love you all. Dot
