“ Sarah, Stacey and Tiffany , I know I am not telling you something you do not already know... Susan was a very precious lady with a kind heart and a sweet spirit, we have had many great conversations and even some great bible studies at the shop . She will be sadly missed , my prayer is that God will wrap his loving arms around your family and show you peace and comfort that no one else can. We will continue to keep you in our prayers as the days and weeks to come will be difficult . If you need us for anything please let us know .

Love ,

*Cheryl Fraley*

“ I will always be Sue's "friend from Atlanta" no matter where I roam. I've loved you for half of my life and loving you still, I will be deeply missing for the rest of it. You touched my soul and we have shared memories that make up the foundation of who I am. You will always be a part of me. I send my love and prayers to your family as they grieve our loss. May they find strength and joy. God Bless You, I Love You.

“ I miss Susan so much. She was a true friend and one of the most thoughtful, caring people that I have known.

*She will be greatly missed, not only by her family but by her Church family. We each are a building block in the True Church. Susan got to Heaven before me but I am sure she will greet all of us with a smile when we join her. What a glorious day that will be.*

“ Sue and I were friends for over 35 years. We had a void of about 8 years where we were busy with our separate lives raising kids however when we met up again about 8 years ago we hit the road running. I have great memories of many trips together and those weekend yard sales that was always gonna be the last one. (lol) Stacy I watched you grow up and Tiffany I was there when you were a born. My family who Sue visited often in middle Tenn all send their love and prayers to you two girls. I will miss Sue a lot but I will always have the memories of our sometimes crazy times together and I know she is at peace and happy to be with Bobby once again.

“ I have known Sue for around 7 years now. She was one of the nicest and friendliest people that I have ever met. It seems like every time I went to Costco I would see her there. I am very sorry for her loss. I send my deepest condolences to her family and loved ones.
