“ *Mrs. Susie was such a sweet and loving woman. During Kevin's football days she would open her home to the football players and feed us on Thursday night before our Friday night game. She was always a huge supporter of us. Praying for Kevin and his family. Love you brother.*

“ Susie was one of the first people I actually got to know almost immediately. She talked with me like she knew me my whole life. Her passing is answered prayer. She never complained except having to miss her church. Never about the pain, I miss her already but know she is holding things down till we all get there.

“ Most faithful prayer sister have ever had.. We were praying that each of us would be able to be together in Bethany Baptist service one more time. Susie was the most caring sister friend I had left on this earth. Miss her more than words can say. Praying for her family..

“*Susie was such a sweet dear friend and sister. She and I were ballfield moms together. We sat together watching our sons play ball together. We shared long hours at the ball fields. We worshipped together in church and loved each other’s family. I love her and I know that throug the blood of Christ I will hug her and see her again. I’ll miss you until that day that you welcome me into heaven at the gates.* ❤️
