“ I worked at Profitt's Department Store around 1992. If this is the same Susan, she worked at the cosmetics counter (Estee Lauder maybe?). I thought she was the most beautiful woman I had ever seen. I wish I could have reconnected with her. I loved her style and her sweet spirit. She was always so kind to me, a 17 year old kid just starting out. I believe she would have been around 22 or 23 at the time and was so incredibly glamorous. I'll never forget her. My deepest, most sincere condolences to her family. Sincerely, Nicole (Nikki) Proctor. Formerly Nicole Cook.
