“ I think there is a special irony that Mrs. Hill is going to be buried on Valentine's Day because her passing has broken so many hearts. What a truly wonderful, loving lady who has been such a big part of the community's life as well as so many of us individually. I knew her as the sweetest substitute teacher known to Chickamauga City Schools then later as one of my most favorite customers while working at the Bank of Chickamauga. I know a lot of times, she was probably in pain due to arthritis but no one would ever know it because she always had a smile on her face. I feel she was one of God's special angels that he graciously gave to us so that we would be shown Godliness, kindness & love. Mrs. Hill will be so missed but her legacy will always live on. I thank her family for sharing this precious soul with so many of us.
