“ I love you so much. I don't even know what to say. You always said it's what you do not what you say that matters. Guide me in the right direction. Watch over our children. Visit us in our dreams. I am blessed to have you in my life. I would trade my life for yours if I could but I wouldn't wish any more pain in your life than you already have. I hope you found peace. Know I will love you always and forever.

“ Tandi I am so sorry I can't hold you anymore. I miss you so much and you are an amazing women who tried so hard and worked so hard for what you accomplished. I didn't get to say it nearly often enough but I have always admired your strength despite the cards you were dealt. Your babies are beautiful and if I ever get to meet them they will hear nothing but amazing memories about you from me. TO Tandi's family I am so sorry she was taken from us so early. So so sorry.

“ If she was anything like her Grandfather, Mr. Paul Kelly. The World will truly miss One Of the Most High God loving, kind, giving and concerned for others, Creation. May she rest in peace, and the Grace of Our Lord cover, comfort and keep her love ones, as they mourn her passing. In Jesus Glorious Name. Amen

“ My deepest sympathy to the family and to Derek and the children. I didn't know Tandi for very long but I know she loved her husband and her children very much and it breaks my heart terribly to know she was taken from them so suddenly. Prayers to all of the family for strength during this difficult time. There is a very special Angel in heaven now.
