“ The last time I spoke with Teresa she reminded me of how we used to play on the playground with other children in Elementary School in the very early 70's. Teresa Ault is my first cousin. Although we lost contact for many years, as life takes people down different paths, looking back I think it is safe to say she was my first best friend in life. Our ages are very similar. "Our game was Red Rover. "She said that to me the last time we spoke. Stan

“ It has been over 10 years since I have seen or spoken with Teresa, but have very fond memories of us hanging out together. Teresa's step-daughter, Kelli, and my daughter played ball together back when they were in middle school. Larry coached the team, so we all spent a lot of time together. We even all went on a cruise together; taking all the kids. We all had a blast! Unfortunately, we kind of lost touch with each other over the years, but I feel certain she loved that "Bo" more than anything else in this world. Rest In Peace Teresa

“ Teresa has always been very kind to my grandson, Johnathan. She told him to think of her as a mother figure since his lived in Savannah. Johnathan enjoyed his time with Bo on sleep-overs with Teresa and Larry. She will truly be missed by Johnathan. Bo, my thoughts and prayers go with you, your Dad and family.
