“ From our family to yours, we send our sympathy. Ms. Teresa meant so much to so many people. May the faith she had in God encourage you to draw closer to our Heavenly Father. During this very difficult time, may this scripture bring you comfort and peace. Isaiah 41:13-*"For I the LORD thy God will hold thy right hand, saying unto thee, Fear not; I will help thee."*

“ What a beautiful lady inside and out. I'm crying as I write this Teresa. I can't stop thinking about the love and support you always showed the world . You would light up the room in our bible study at church . I know you loved the lord . Your sweet smile and warm hugs were a gift from God. I'm just hurting because I can't believe this is real. I will miss you so much. You will always have such a special place in my heart. You were a true blessing to me and shouldn't have went so soon. I will always love and miss you ! “ Teresa, I knew from the moment I met you, we would become fast friends. Your smile, hugs, laughter and beautiful presence in this world will be sorely missed by all that had the privilege to call you friend, daughter, spouse, sister, aunt and family. I believe Heaven has gained a wonderful angel that will continue her mission to watch over others and spread happiness. Rest in peace, my extraordinary friend. Much love and prayers to Teresa's family and friends.

“ My dear sweet Teresa, you have been such a beacon of light in my life. I could always count on you to be generous with hugs and smiles when I needed them. You and Sean got me through some very dark days and generously took me into your little family. I will forever treasure that time. The world will never recover from the void you have left. I will always love and miss you, my friend. You will never leave my heart. I love you. I pray for all you have left behind.

“ Where do I begin? This seems so surreal to me as I struggle to find just the right words to tell you how much you mean to me. My heart is so heavy at the thought of never seeing that gorgeous smile, hearing that infectious giggle, or feeling that warm hug that was always there when we all needed it. I will always remember the many conversations and funny texts about anything and everything. Saying I will miss you is an understatement as there will always be a spot in my heart for you as I will cherish the memories that we shared over the years. You will never be forgotten. I will always love you my friend...

“ I have known you for 9 years when you moved to Arkansas and in to the house beside me. You were always there with a warm smile, a smile that could light up the entire room. I will forever cherish all the times we did have. From eating out with my daddy, to just coming over to see how you had been. You were a wonderful, wonderful person. I love you. ❤️

“ My heart goes out to the family of Teresa. I worked with her at the Arkansas Department of Health all the years she was employed with us. I grew to love her spirit deeply. She could light up a room the moment she entered it. We often talked about the use of color in our wardrobe and our latest fashion finds. She was very giving and on one occasion brought me a pair of name brand shoes she found at a steal of a price and would take no money, but relished in the joy that I found them very fashionable. We often exchanged stories about our frugal shopping deals. One thing I will always cherish about Teresa is that she acted excited to see me and greeted me with a warm hug and a big smile as if her day was now complete each and every time she saw me. She was beautiful in every way. I thank God I had the lucky privilege of crossing life's highway with her. I hope I can make people feel important--a lovely trait Teresa exemplified fully.

“ Guerrero(as I always called you), I have a void in my heart knowing that you are gone. It just doesn't seem real. I know that in due time I will be alright. I have all of the wonderful memories of times we shared together buried deep in my mind and in my heart. No one can ever replace the warm, loving, friendly smile you always carried with you. I will always love you and remember you. Rest on my dear sweet friend, rest on. I love you ❤️

I first found out about this yesterday and I'm still in disbelief and shock. I worked with Teresa at the Ar Dept of Health for several years and always cherished our friendship. Teresa was the sunshine of our office, always had a smile and full of laughter. Such a special person! My thoughts and prayers are with you and your family.

To Teresa's family, thank you for sharing such a warm and wonderful person with us. I had the privilege of being her supervisor, colleague and friend. She had the gift of never meeting a stranger and making everyone feel better about themselves. I'm praying that God's grace will abound for your healing. - Pam
