“ Oh how I will miss Teresa. I have been seeing her at her work since 1988. She always called to remind me to come to my appointment. But also she would call if she heard I was having some issue in life to see if she could help. She always had good advise. When friends and family had an emergency with their dental needs, she always made sure they were taken care of. A HUGE heart, loving, caring woman who will be missed by her family and her co-workers as well. My thoughts and prayers are with them all. Bill Race.

“ I had the opportunity to work with Teresa at Dr. Holt's office off and on over the past year. I was a newly licensed hygienist and a little clueless as to how things were run, but Teresa was always patient, kind and understanding as I figured things out. Not to mention we had a few good laughs together from time to time. The last time I saw her was probably in July sometime, and I am truly heartbroken that I will never see her again as I walk through that door. You will be so very missed Teresa. Prayers and love to all of her family and friends.

“ *I love her and miss her. I'm so grateful that I know where she is and that we will have the opportunity to be with her again in Glory. Teresa was a very special person with a heart of gold. Very few people are forever friends and I am so honored that she is one of mine. We could always catch up right where we left off like no time had passed. I will always love and cherish her. Prayers Blessings and Love, Renee'*

“ I will always remember Teresa as being sweet, kind, gentle and always smiling making you feel like you were somebody!

She was truly a child of the King, I will see her again! She was way to young to die, but God need her more than we did.

My love and prayer's are with Janice and all the family and friends that loved her.

“ My husband and I went to high school with Teresa and we've known her a long time. She used to live across the road from us for a while. I am so blessed that Teresa and I were able to reconnect as friends in the past 2 years. I am praying for her family and we will miss her here on earth, but will reunite one day in Heaven. I am glad her granddaughter and my granddaughter are friends.

“ I have known Teresa for 28 years. She and I worked together 17 of those 28 years for Dr. Holt at the dental office. I will always treasure the time we had together as friends, Teresa was always like a big sister to me. She came from a great family and that family always made everyone feel like they were apart of that family. My thoughts and prayers go out to all of Teresa's family today, especially Jeff, Zach and Janice, and in the weeks to come when they will miss her the most! Love you lady and I have faith that I will see you again one day! Love Donna
