“ Teresa would spread joy with her sweet smile. She was a sincere friend. She loved her girls so much. She loved being in church and having her family next to her. I would see her each Wednesday at church arriving in that beautiful sports car. Amazing her smile caught your attention, not the fancy car! She loved helping others with her sincere heart. She was a wonderful friend and will be missed!

“ Teresa was a special person in every way. She took charge of me when I 1st started my journey at CUMC. She made me her "pet project" and was determined to get me into WOW. Through Teresa's display of her love for her 2 precious, girls we all were witness to what " mother love" is all about. I will mi her and pray for the whole family.

“ I had the privilege of working with Teresa the first 4 years of teaching. We became family. My kids and I spent more time with her and Morgan and Courtney than we did at home. I have a lot of beautiful memories with this woman. I know I will see her again. Morgan and Courtney you two were the lights of her life. I love you both and I will continue to pray for peace and comfort.
