Connie and Jeremy my prayers are with you at this time. Teresa and I worked together I think in 92 in GC11. You all came to a revival at my church on Sand Mountain. We were good friends, then both of us got different jobs. We had lunch a few times but eventually drifted apart. I hate that, friends should do better. When we saw each other on the hill she was always smiling and we would catch up a little bit. It saddens me she has gone and I will not see that smile again but I rejoice to know I will see her again.

*Love and prayers,
Shannon May*

“ Teresa always pushed me to do more and believed in me! She was a fighter and, as stated many times, she remained positive and upbeat through her illness. I grew to love her even more even after I moved on from her department and we kept in touch. My heart breaks for her family and I pray for comfort for them all.

“ Words cannot accurately capture the impact Teresa had in my life. She is not only a great leader, but a mentor and a friend. Teresa saw things in me I didn't see in myself, she encouraged me to be more outgoing and to embrace change! I wouldn't be where I am personally or professionally had it not been for the mentorship Teresa provided for me. Teresa is an inspiration to us all, she came to work despite the battle she was going through and that is something I will take with me forever. She never made excuses that is something we can all learn from. I'm going to miss talking Tennessee football and Braves baseball with Teresa, she will be missed but not forgotten.
