“ I am so saddened and devastated by the loss of Teresa. We lost track of each other for many years but she was always in my heart , mind and thoughts. We started 1st grade together all the way to the 12th and always were friends. I am so proud to have known her and shared great memories with her all those years. Her beautiful smile will always be with me. I pray that God will watch over all her family and loved ones and keep the wonderful memories in their hearts to help them cope with her loss. I will miss you my sweet friend and always love you. Thanks for being one of my best childhood buddies.
