“ Teresa and I have been friends for almost 60 years. We went to school together and grew up together and lived in the same neighborhood. Me and my family loved her and her family like we were related. I am so thankful I have all those wonderful memories of Teresa and the times we laughed, cried and just spent time with each other. She was a special person and those that knew her loved her! She will be missed. I am praying for peace for the family!

“ My nana loved to travel. She was the sweetest and most fabulous woman you could ever meet. She loved her cheetah print and flashy jewelry. I miss her so much but I promise to continue her legacy as long as I'm around.
