“ *I have only known Terrell for a short time, I do know that he was a Godly man. Watching him sing in church and the emotions involved in his singing was an inspiration to all. The only thing I remember him ever saying was that he prayed for his children to get into church and be ready for the day to meet Our Lord and Savior. Brian and I will continue to pray for your family and his request.*

“ *Sharlene and Danny - we are so sorry for the loss of Terrell. We share with you the fragility of life and how we all need to stay in touch on a regular basis with all of our loved ones that mean so much to us, but we know that you always make a point to do that with your family! He was very close in age to me and Jimmy and it makes us think even more about our mortality in this world, but know that he is in the reward world that was promised to him. We will all find comfort in that and hope that you will also. We love you so much, Gayle and Jimmy Blackstock*
