“Joyce, G.W., Randy, Cheryl, & Meryl, I am so very sorry to hear of your horrible loss. There was a time when Terrie and I were inseperable and I am so regretful that I didn't stay in touch. May peace be with you all. Maria (Booker) Suarez.

“Joyce, George: it's been many years since we saw each other (from the good old Brothertons Restaurant Days) but I have thought of your family often. Terrie has been on my mind a lot here lately and in fact I was just telling my husband about her the other day and was wondering how she was. My heart breaks for you. You and your family are in my thoughts and prayers.

“ *George, Joyce and family,
Our condolences to you on the passing of your loved one. We pray for your peace as you continue your life's journey without Terri's earthly presence. George, even though we haven't worked together or seen each other for nearly 30 years, I still consider you a friend and frequently think of you. Give me a call some day and we will try to catch up and revisit some old memories.*
