“ I was very sad to learn that Terry had passed. I just saw him a couple of weeks ago at the Food Lion. Terry was a kind and gentle soul and was always very kind to me and the other ladies at State Farm. You will be missed Terry. Rest in Peace!

“ I remember Mr Gardner always had a smile on his face and was always willing to help me whenever I needed it. I remember he was brilliant at most anything that came up that needed doing. We always laughed when He, Ruben and I got together. We had a lot of fun times. I remember He had a servants heart and no matter how badly he felt , he was always willing to help any one in need. He loved his son with all his heart. I am deeply saddened by the loss, but know he has a new body now and isn't in pain. I thank him for his service to the greatest country in the world. Deeply missed by all who knew him.

“ I am very sorry for your loss. May you find comfort in the hope that God's word provides. Acts 24:15 says that there is going to be a resurrection. Soon God's kingdom will come, end all suffering, and create a peaceful new world where there will be no more sickness or death. (Psalm 37:9-11,29,34)
