“ *I still can't believe your gone. All the years you and my mom shared together. You have taught me alot. At times we didn't see eye to eye but if I ever needed you...you was always there. It doesn't seem real. I wish it was a bad dream that I could just wake up and you be here. I miss you very much. I promise to help mom take care of all the dogs. They sure do miss you too. Im glad you got saved so I know you're in heaven with your mom and dad. Not struggling to breathe. Your in a much better place. Thanku for all the memories we do have. All the stories I can tell people. I will keep your name alive. Your a Ledgand.*

It dont seem real. I miss him so much. He was always just a phone call away. Day or night he would always show up. It didn't matter if we was right around the block or 2 hours away.. he was there. He looked pitiful. Im glad he's in a much better place. He got saved before he died.
