“ *Terry was a fantastic person. I was lucky enough to be his dentist. I will never forget his sense of humor, he barked at me during one of his visits and almost made me fall out of my chair. He was funny and always sweet, he called me "sis" everytime he came to the office. I was lucky enough to call him my friend. Thank you Terry for always making me laugh! Dr. Snyder*

“ *I am glad Terry and Corky are together again, both taken too soon. They were such a fun pair together. I am so sorry for the difficulties your family has had to go through, but he did it with humor and grace. He always reminded me of my Dad and I treasure the memories we all made on crazy Atlanta Dr. I hope you will find some peace knowing he is healed again. Love you, Linda McConnell*

“ I first met Terry in September of 1982  
He was in B Btry 181st National Guard. Terry was a professional  
solider and a True Patriot. I have always enjoyed working with Terry  
to include serving with him in the Gulf War. I have always  
considered Terry to be a friend. It was an honor to have served with
