“ Terry will surely be missed. He was a fellow I'm proud to call a friend. I've had the pleasure of knowing Terry through the building trade. I probably got in more trouble with Archer one time when I was working at a lumber yard in Chattanooga. I had talked to Terry about an order he told me to meet me in the outside office at Glenn bro. To pick it up I questioned him about it and he said it would be ok that a lot of the guys went there before they went on the job when I got there and was talking to several of them about nothing Archer came out there and wanted to know why I was there and Terry told him I was there to pick up something I was ask to leave Terry walked out to the car and gave me the material list and we laughed about that for years. He was my customer at Lowe's for the past 5 years and always an honor and enjoyment to help him. It's an honor to call Terry a friend he has a fantastic family that he loved a lot. So sorry for the loss prayers for the family

“ Have known Terry and the family for many years. Many great memories. Terry was a very kind hearted man. Never heard him say a harsh word or act in any way except how a Christian man should. David said his first memory of him was as his Sunday School teacher many many years ago.. Terry will be greatly missed by many but we are thankful that he knew Jesus as his Lord and Savior and that we can see him again one day. Praying for God's peace and comfort to surround the family and friends during this time.
