“ I have a lot of good memories of my friend...one of my favorites was the time I won a contest on then called Kiss 96 radio station. I won a trip to the hard rock cafe in Las Vegas to a Aerosmith concert. With back stage pass to meet the band. Tater begged me every day to take him...said he would sleep on the floor as we were just good friends. He was a huge fan as I was. I've told him over the years if I could go back I would have taken him ..the person I took was not a fan .In sure would have been a more enjoyable time with Tater. Prayers for the family and his friends. I sadly am out of town and can't attend the funeral.
