Tribute Wall

“As a little girl I danced on his toes & knew he would always be there for me & he was!”My father was a very talented builder & was loved by all of our family. He was the kind of man that was honest & kindhearted.Its hard to say goodbye & I still sometimes can hear his voice calling out my name. My favorite thing about my dad was how he loved his grandchildren & always made all of us laugh or scream when he’d jump out & scare us!He was the first man in my life& the last of his kind. He taught me how to do almost anything &drive a car& be tough & always stand up for myself .I will always remember he& my mom dancing & holding each other tenderly. He was a wonderful man & I will never forget the wonderful memories that I had with him. Love your little girl ❤️
