“ Terry was a great cousin. He was fun when we were kids and had every toy in the world, and always shared them! As teens he was a great guy, and fun to hang with, and always the protector! Growing up and growing older, and I can't think of one moment in time that Terry was ever anything other than pure of heart and a sweet gentle soul throughout his life! He will be missed! Loved by all who were lucky enough to know him.

“ Hard to believe I won't see my younger cousin again, this side of Glory, but I have enough sweet memories to last me the rest of my time here on earth before I join him, and all the others who are waiting, in Heaven!
