“ *So sorry to hear about Terry "Budda" . Met him several years ago when he rode with SCRC and then we stayed in touch after he left the group by seeing him and talking to him a lot at the AWF wrestling . He never met a stranger and was always so friendly and kind to us and even came to help my husband work on his bike once. He was one of the best and I will miss the hugs he always had when we saw him and we will forever miss him. Will be great to see him again and ride together above the clouds one day. He looked tough on the outside by those that didn't know him but he was a wonderful man with a huge heart for those he cared about. We are thankful for the chance to meet him and know him. God bless you all during this great loss and I pray God will give you peace and comfort to bring you through. Ride on Budda high up in the wind and keep the road clear for us to join you one day. God keep you in his care.*
