“ *Tevin you were such a great man and even better father. I enjoyed the many times you cooked for my Kingsley family reunions. Best food ever. I am so thankful that Kason and Clay were able to play ball and wrestle together. I always enjoyed the big hugs you would so often offer. I really need those hugs every time I saw you the past 2 years since my cancer diagnosis. Me and my family will all miss you.*

“ Tevin,  
*It is hard to believe we spoke on the phone multiple times per week for over 10 years!*  
*I will miss the conversations we shared about family, sports and life. I admired your dedication to your son and how you beamed with pride when speaking of him. You wore your heart on your sleeve at work because you cared so much! March Madness will not be the same without our "Rock Chalk Jayhawk" conversations and high hopes for KU Basketball. God called you home for a reason and now you know why?? Work on your golf game, I look forward to us playing.*  
*Your friend,*  
*Warren*

“ Tevin, you will be missed so very much by your loving family and friends You brought a special light into this world. I will miss that great smile and your HUG. A room would get brighter when you entered, if one was a friend of yours they had a friend for life. When we moved to PTC and next door, that was the beginning of friendship and love between our families. You showed Lloyd around his new city and made a very difficult move so much better. I have been remembering the Wrestling Meets and Tournaments; we had so much fun and made a lot of good and funny memories. You were a very good wrestler. We will all be reunited one day and until then keep all the souls in heaven smiling. I love you Tev.

“*Tevin was not only my next door neighbor, he was my friend. He was known well around the neighborhood to shoot random mortar fireworks on a Tuesday at midnight. You could count on him to fire up the grill and smoke some ribs and veggies (you better not mention Dales Seasoning). He was always the life of the party. He is the only person I know to total his riding lawnmower by ramming it head on into a tree. Tevin was always up for a swim regardless of how cold the water was. At any given time you would hear him say, “Rock Chalk Jayhawk, Go KU”. He was the master of the fist bump. Most of all, he was a father that absolutely adored his son Kason. He loved that boy with every fiber in his body. While, I’ll miss all of these things about Tevin, what I’ll miss most is him throwing up his hand waiving at me each and every time he was coming or going and the long talks we had in the driveway after mowing our yards or just playing “HORSE” in the driveway. Until we meet again...this cheers is for you!*”

“ *Big smile, bigger hugs were always the norm around Tevin. Great person and great friend. Worked with him at Chattanooga Shooting. We ( my son Anthony and I) had some great times with Tevin and Kason at the Lookouts games. Tevin always wanted to go on Zoopsters night. Sure won't be the same now. Will definitely miss this friend. Prayers for Kason and the rest of the family.* ”
