“ So sorry to hear of MS. Pickle passing. She was a firecracker and kept me hopping to take her to Food City every week. I could just about go pick out her groceries from memory now. It was fun getting to know her and be of some help to her.

“ *IN LOVING MEMORY* of my friend from Lakeview Grammar School. I haven't seen her since the 1940's but I did call her when one of her brothers passed away. She couldn't remember me but she was just too sweet of a girl for me not to call.
She was always so nice to everyone.
I do remember Rex. I lived at the corner of Proctor Road & Cloud Springs Road with my grandparents (Mr. & Mrs. Gordy)
