“ Dad, I cannot believe it's been a year already. I miss you as much today as a year ago. I still cannot believe you are not here. I know you are rejoicing now and will forever more. We will meet again in God's time. I will NEVER let a day go by that I don't think of you, miss you, and tell you that I love you. I feel so blessed to have you as my DAD. I wish you could tell MOM that I love her and miss her. Until that day when we see each other again, I'll miss you. I love you so much dad! Love, Alice

“ You will be so greatly missed. Every memory that pops in my head is the one of your smile. Gracie loved her play time with (Pawpaw Tom). She always knew that you would head outside and right behind you there she would go. Thank you for your kindness, friendship, and love that you have given our family. Because of you I want to hug, laugh, and hold on to who are very special in my life because every moment is a potential memory.

We love you,

“ Thomas Cupp was a great, loving, caring and compassionate person. He was always taking care of others and putting everyone else's needs before his own. I see a lot of him in my mom. “ I have known my pawpaw (his nickname since I was little) since before I was one, and he was like a superhero to a child's eyes. I loved him so much. Some people look up to famous actors or music idols but I looked up to him . I hope he is catching lots of fish in heaven.

“ This man was not only my brother but also the daddy that I never knew. He made sure that we had what we needed and was always concerned about our lives. He was and still is the greatest man I have ever known! My precious brother is now where there is no more pain and heartaches, no more worries and no sadness. He is so worthy of his mansion in the house of our Lord! Oh, the reunion that is taking place with Jesus and his loved ones!

This special man is now free and I will see him again at the time God chooses.

John 14:1-3: Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself that where I am, there ye may be also. What a blessing and comfort!

I love you Thomas Cupp and I will always hold you in my heart!

“ I remember living in LaFayette GA when uncle Thomas would come over and visit, he'd take me to the store and buy me candy, chocolate footballs in particular. Every time I see them I think of him. I appreciate what he has done for his family while he was with us, and I always enjoyed talking to him when I saw him. He was always smiling and caring and we thank you for that Uncle Thomas.
