“ Tom was one of the most sincere and genuine men I have ever known, and his friendship will be tremendously missed. I will always treasure the times we spent underground together, and his energy, stamina, and passion for caving will continue to inspire those who knew him to the end of our days.

“ Tom was an Angel with a heart of gold. He thrived on helping others and exploring the Earth’s trails and waterways, and especially her underground. And now he has his wings...

“ Tom Moltz carried a love for the great outdoors, especially caving. His love for each of us was far greater.

I’ve never seen another man so tough be so kind to his fellow man.

In his words, he “had a condition”, yet there was truly nothing wrong with Tom’s heart of hearts.

I’d do well to continue to pattern my life after the examples that Tom set for me.

I’ll miss my Brother for a little while, and I’ll also look forward to our new adventures in that Promised Land of tomorrow.

I LOVE YOU, “DIAMOND TWO LEGS”... D2L.

I always will! - hawk

“ Dad,
What do I say, you and mom took me into your home at my lowest of times and treated me as if I was your own. The memories I have will be with me forever. Thank you for all the adventures you shared with me throughout the years. I love you all and I am praying for God's Grace, Peace and Comfort.
