“ *My condolences to the family. It was always a pleasure to chat with him when I'd see him around town. He & Paul always enjoyed our picking & grinning at Karen's Grocery.*

“ I've known Tommy my whole life, when I got married he was so proud and called me his "daughter" he was always willing to help others as much as possible. He was always smiling and showed so much love. Although he had a hard life as most of us know he had such a big heart, cared and loved for others more than a lot of people I've met that had it all. I'll never forget tommy riding through the town on that bike, or sitting outside eds drinking coffee. We often invited him over for dinner, he was always so appreciative of everything. He's no longer in pain, he's in heaven with his family, my grandparents which he loved so much, and I bet he's met my little girl and will help watch over her. Rest in peace Tommy!

“ Everyone that knew you always had a story to tell that was told by you. You are now healed having good times with your Momma. May you rest in peace.
