“ *TJ I'll never forget you chasing me and Jimmy all over the woods and other places. You always wanted to be right beside your big brother because you looked up to him so much. You were the picture perfect little brother. I really don't think most understand just how much you meant to Jim. I hope in time you will send them the sign that you're ok and for them to live in as much peace as they can without you.*

But I know I'll never forget that "Walling boy" smile.

Rest In Peace TJ, you're loved and missed more than you ever knew.
