“ Thomas was a dear friend to me for many years. I worked at Synthetic Industries with him. Thomas loved his coffee. We road to work together and had many good times. He will definitely be missed. No pain or worries now, he has his wings with Jesus.

“ I sure will miss seeing Thomas sitting on that front porch when I ride my bicycle thru Chickamauga. He always had the best garden and was a great family man, raising not only his children , but also my best friend Johnny Wingo. He always had a smile on his face and only good things to say. And I think he always had a cup of coffee in his hand the times I saw him. I will miss you Thomas, you had a great life.

“ I remember when Brandon was born and Thomas was in the waiting room with everyone awaiting his arrival, the nurses started to make comments on how especially good the coffee was that day. It seems that because he (and others) enjoyed coffee so much we had to keep making a new pot and it was always fresh that day.

“ I had the honor of meeting Thomas a few times when he and Barbara visited Betty. Although I didn't get to know him very well, I knew right away that he was a very good man who was much loved by his family. Thomas was the kind of person you could talk to for 5 minutes and feel like you've known him your whole life. Godspeed, Thomas.

“ Will miss Thomas' friendly hug and smile. Always made me feel special from the first day we met. Betty took me to visit her family, and he said Barbara wanted to put bows on her front porch. He brought me the ribbon and we sat and made them. All my love and prayers to the family.C

“ My dear, sweet, Paw Paw. You loved us all unconditionally. My life just won't be the same without you. Those chats about farming, front porch sitting, watching Wheel of Fortune, & Jeopardy will be memories I cherish forever. Your suffering and pain are long gone & a thing of the past. You were always here for us no matter what. You are gone, but will never be forgotten. I love you.

“ I love you pawpaw. You will be missed. It won't be the same without you and I want to thank you for all the times you had to watch us kids when our parents had to work. Me and you use to sit in your chair when I was little an watch cartoons together an we would sit out on the front porch an swing. Those were the best times, but I know your in a better place now an all your pain is gone. We will all see each other again one day.
