“ I have great memories of aunt Tillie . Such a beautiful lady, always encouraging and uplifting. She and uncle George always found the time to visit me and my Dad and that made us feel special. My dad is the last of the brothers still living and we talk often of his brothers. Just last week we were talking about Aunt Tillie and Aunt Mizzie. Dad still has such vivid memories of his childhood. I know that Heaven just received a special Angel today. Tell uncle George that i did not turn out too bad after all, i think that had something to do with all the times that He and dad prayed for me. Enjoy your reward Aunt Tillie i will see you soon

“ Sorry to hear of sis Tillie's passing. I have a lot of fond memories of her. I took piano lessons from her when she lived in Lafayette. She had a German shepherd in the back yard that I was terrified of. I was always afraid it would jump the fence . Wow that was over 40 years ago.

Also went to church with her and husband George. She was an exemplary holiness preachers wife. She encouraged me to sing and take part in church. Now I have been pastoring 25 years. Living in cincinatti now. Time doesn't erase memories.

Our sympathies,  
Chris and Kelly Oliver
