“ Amy asked me to send this for her since was unable to communicate or come to her Grandmother's funeral :

I Love you so much and will always cherish the memories we have. I know you are not sick any more and you are living it up on Streets of Gold. Now you can dance!!

I will always keep you in my heart until we are together again in Heaven.

Love Always Amy

I am sorry for you loss. I did not know Amy's Grandmother, but as I look at her picture, she looks like a wonderful, happy woman. May she rest in Peace.

“ I have to say Granny Newman was one of the best women I knew. Every Sunday at church she made me come and give her a hug and kiss. She would always say there's my man :) she always knew how to make you smile. She was a great lady and will be greatly missed! It seems like she always knew what to say at the right time. I can honestly say The Lord got one of his angels home. As a great Godly woman she always took to the bible when everything was going wrong. Ill always love Granny Newman! :)
