“ Mr. Laney served as my probation officer for several years. He was always kind and very supportive and did not judge you on your past but always offered to help you anyway that he could. He would make his routine visits to my residence not just to check to see if i was doing anything wrong but actually to see how i was doing. My daughter was born in feb of last yr mr laney always came in to play with her. Im no longer on probation and havent spoken to him in several months but i really do appreciate his kindness and support. Although i regret the way mr laney and i met i am thankful our paths crossed and he will be sadly missed. My wife erin and i offer our deepest sympathy to his family. To his children your dad was a wonderful person and i wish i could thank him for what he has done for me but **THANK YOU MR. LANEY FOR EVERYTHING ONE DAY WE WILL MEET AGAIN!!!!!!**

“ *I would like to send my thoughts and prayers to the family. Officer Laney was a good man with a big heart. Yes he did love football and fishing and also about cars. He was a great motivator in my personal life and he is a main reason of where iam now. I would truly miss him and call him for advice and or have him come over my house and check on me and stay talking and just encourage me. Thank you officer laney from the bottom of my heart. I wont never forget all the advice you gave me and wont never forget you.*

“ Josh and Derrick my thoughts and prayers are with you both. Your family has meant a lot to me since I met you in high school and met your Dad and Homer. Your Dad and Homer were always right there to help with sandwiches for the football team or bringing food and things to the wrestling matches. Your Dad was great to help with the parking lot and just anywhere he was needed he was right there to help with everything. I am so glad I have the privilege of knowing you all. If there is anything Melvin, Josh or I can do, please let us know. You know your Dad was an honorary "Warrior Mom" (lol)

With love the Parris family.

“ Josh and Derrick, I hope both of you know that your dad was so proud of both of you. I have known your dad since high school. We worked together in the "system", volunteered together at LFO Recreation Board, swapped fishing tales, talked about our boys (I have two sons), and were friends. He often confided in me about me things, including you boys. Timmy always had a story about one of you when we talked! lol

Your dad will be missed by many, many people. I'm sure he has found the "Bear" and talked some football! Your dad left a legacy in the impression he has left on so many people, and in the legacy he left with the two of you. Please accept my deepest sympathies.

“ Tim was a good guy. He did care about the people on probation. He tried to encourage so many of them. My mother Doris Kirby Neal adored him. He always had time for her even though she did talk his ears off. My daughter and son in law Christy and Travis Sullivan appreciated everything he did for them with the basketball kids. I could go on and on but I do know he will be missed. Hope mother isn't talking his ears off in heaven. RIP Tim we all love you.
