“ Sorry for your loss. Mr. Shrum was my manager at Sears back in the 90's. I had the upmost respect and admiration for him. I was young and he was a mentor to all of his employees. He taught me what a good manager was and I incorporated those experiences in my life and treated my employees like he did his. He was a great man, honest, caring and a very hard worker.

*Tim and I were of same age, and I often remember and tell the story of when Tim, Roy, aunt Beryl, and girls came to visit our grandmother Allen in Bosco, Ky. Tim & I were about 14 years old. While aunt Beryl and girls stayed to visit for a week, I returned with Roy and Tim to Rome, Georgia. I learn to eat orka and Tim taught me how to be a car hop at a local BBQ place where he worked. He showed me a great time that week, and how true southern folk values always stay with you. I am very fond of that memory.*

*Ruth, I and Linda are so sad that you have lost your best friend, husband, father, and loving family man. God bless you all. He will be missed.*
