“ Oh, Ms Toni. You were such a loving mother. Even though you and I did not always see eye to eye, the love that I felt for you never died. I'll never forget when you introduced me as your daughter many years back. The pride that I felt that day lives on in me. I never wanted anything more than for you to love me and I never felt that more than I did on that day. I promise to take care of your boy for as long as he needs me to. Until that glorious day when we will all meet again. Forever your daughter-in-law, Tammy❤️
