“ So sorry that we had lost touch with the family over the years. I always thought the world of Tonya. She was so kind and giving and patient when teaching me crafts. She was a lovely lady.

“ I had the privilege of growing up with Tonya and her family as my next door neighbors on grand Lilac Lane. Oh my, the adventures we shared and the memories we made. While we will miss her greatly, I am thankful she is rejoicing with her Lord and Savior.

“ My mother (JoAnn Griffin) loved Tonya like she was her own. She often talked about when they worked together. She always had to tell me when she would talk to Tonya. Tonya was an angel sent here to touch so many people. She was always caring and giving to others. Tonya will be missed here on earth but has gone to a place of peace and no pain to help prepare a place for her family and friends. Jimmy, we wish you and all your family healing and peace in this time.

“ I only talked to her a few times. She was kind and caring. She asked the first time I talked to her if I knew the Lord. I told her I did. I loved her as a friend. Jasper Reeder is my son. He and James are close friends.
