“ I first met Tracey as our new boss of NW8 and NW9. I had the privilege of being the educator for her units. She was kind and friendly to the staff and we always knew she had our backs. She was ready to give guidance if asked and the shirt off her back if you needed it. She was great nurse!! She loved her work family and friends. But most of all her daughters and family meant the world to her! I was very sad to learn of her passing and wish I could have been at the funeral. I admired her very much.

“ *The first time I met Tracy was on NW8 at Erlanger and they were introducing her as our new boss. I remember her being so kind and bubbly {and she always had the cutest glasses}. She always had your back. She was always in a good mood. She made you feel like you could talk to her if need be. She was one of a kind. To know Tracy is to know she LOVED her girls, she was so proud of them, and they were her world. We love you Tracy! Heaven gained not only an angel but also a great nurse.*

“ I’m so sorry for your loss. I met Tracey at a new hire work training in Texas. She was one of my buddies there and helped me get through the week away from home. I’m so sad to hear she’s passed away. She left a widespread impact on the world which I hope gives you some peace. ❤️

“ Tracy was my friend. She was the best BOSS she had an open door policy. she was loyal, kind and a very good listener. The funny thing that she would do is if I left my phone sitting on the desk, she would snap random pictures of herself, sticking her tongue out making silly faces and taking pictures of the TV thousands of pictures that would take me weeks to delete, but I never noticed them until like weeks later I love you, Miss Lady, and miss you so much already, but God loved you more rest in peace

I met Tracey as a new nurse to 9s, when she was a CSL. She was a great teacher with a great sense if humor humor. Always down to earth. Which in return made her a great boss! Sweet, kind, loving, and caring are just a few words to describe such a beautiful soul. I will surely miss you! Rest in Power. My friend.

Coming up on your heavenly birthday. You are missed so much and thought of so often. You would be so proud of your daughters. I think of you often as I walk the hallways of Erlanger east campus. I loved your sense of humor and spirit. I will always keep the pics you took with my phone when I set it down and forgot it. Pics found weeks later made me laugh so much. Let be you always Tracy!

“ *I was headmaster of Brainerd Baptist School and she was one our finest students. In fact the whole Robertson family was a blessing. I pray for the family to be filled with the peace that passes all understanding as we remember where she is today...with Jesus... and that we will be with her one day soon I believe. Dr. Bill Henry*
