“ *He was a wonderful God fearing man. He was my step dad and grandfather to my children. Always remember the day he walked into our lives and took all of our family as his own. We will miss you*

*We are so sorry to hear of Lebron's passing. I didn't find out until today of his passing and as his aunt, loved him truly. I will always remember him coming over and visiting when we were in Georgia visiting. All of our family in Virginia shares your grief but are so glad he was saved - love from his aunt Opal Prince Martin.*
